

(Sri V. SRINIVASA SHETTY)

(b) if so, how far the work has progressed so far :

(c) whether the tenders have been cancelled and the contractors fixed for the construction of the approach road also ; and if not, what is the cause of the delay :

(d) whether they will consider splitting up the estimates and entrusting the works to different contractors for the sake of expedition in the construction of these roads, in view of the great delay in the construction of approach roads ?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(a) Yes.

(b) The work has not yet been started. Then the firm has been asked to make preliminary arrangements to start work. Actual work can be commenced only after the monsoon.

(c) Tenders has been cancelled for fixing the last date of receipt of tenders as 24th September 1961. This could not be done earlier as certain technical matters were to be settled with the Government of India.

(d) This question is also being considered by the Department.
